[1]All numbers are 3-quarter (or 2 semester) averages unless noted otherwise.

[2]1954-55 and 1955-56 are total students (unduplicated headcount) for the Fall and Spring Semesters

[3]Method of counting graduate students in the G2 category changed after 1982, requiring "advancement to candidacy."

Prior to 1982 the G2 classification required only 36 graduate units or a Master's degree. Minor changes were also made in the number of units required for advancement from Lower Division to Upper Division

Note: Credential students are admitted and classified as Graduate Students at UCSB, but beginning in 1988-89 are reported by the Office of the President to the State of California as "Post-baccalaureate" students. On this table, we have continued to report credential students in the Graduate Level 1 category, to remain consistent with internal UCSB reporting.

* Excludes students participating in Education Abroad Program ** Headcount reported prior to 1988-89. G3 students not included. # 1 FTE = 15 units ## 1 FTE = 12 units
 [1] Method of counting graduate students changed in 1981-82. Prior to 1981-82 the G2 designation required 36 graduate units or a Master's degree.
 After 1982 "advancement to candidacy" is required for G2 status. Minor changes were also made in the number of units required for advancement from Lower Div. to Upper Div.
 [2] Doctoral Stage 1 totals include Post-baccalaureate and Masters students prior to 1988-89. Post-baccalaureate students are not included in the G1 totals beginning 1988-89.
 [3] Graduate School of Education offered a joint credential/master of education degree program beginning 1994-95. Students in the program are included in masters FTE figures.
